

## HOME HAPPENINGS

—Little Bob Morris, son of Mr. and Mrs. F. A. Morris, has the mumps.

—A stated communication of Argus Masonic lodge will be held this (Friday) evening.

—The rabbit season opens Saturday and there promise to be a dozen hunters for every bunny.

—There was no general observance of Armistice Day in Canfield, and only a few flags were in evidence.

—While all reports are not in, it is believed that Canfield will show a Red Cross membership of approximately 250.

—The Ohio State Telephone Co. has just completed extensive repairs and improvements in its lines in this neighborhood.

—The Canfield basketball team on the local floor, Tuesday night, defeated the Youngstown Wrecking Crew 25 to 11.

—E. E. Hull and men are at work on the new residence of C. C. Bowman on South Broad street and rapid progress is being made.

—A daughter was born last Saturday to Mr. and Mrs. Shirley Boyer of Darlington Heights, Va., formerly of Canfield. She has been named Catherine Elizabeth.

—Word comes from M. H. Liddle, who in company with friends is hunting in northern Michigan, that deer are plenty and that great sport is being enjoyed.

—Last Friday evening a company of friends gave Miss Ruth Liddle a pleasant surprise party at her home on South Broad street, the affair being planned in honor of her birthday.

—The sugar famine continues. One local dealer received 200 pounds last Saturday and it was soon sold in limited quantities. This is all the sugar that has come to town in more than two weeks.

—A dog, believed to be owned by a farmer living near Canfield, has bitten several people while roaming the village streets, and his next appearance here is likely to be his last, guns being ready for him.

—H. W. Corli has the foundation completed for a new residence on his farm about half a mile north of the village. He hopes to have the new home finished by the first of next March. Albert Supply has the contract.

—A thief broke into W. L. Bryson's garage about midnight Tuesday and attempted to steal his Hudson car. A neighbor heard the man work the starter for perhaps ten minutes but he was unable to get the engine into action.

—A well attended meeting of the Mahoning County Duroc Jersey Breeders' Association was held Wednesday night in the farm bureau office. Dr. L. P. Beechy of the Ohio state university gave the principal address, his subject being "Immunization of Hogs Against Cholera."

—The additional 15 acres of land purchased by A. K. Osborn and H. A. Lehman for their Banner farm, west of the village, was bought of C. H. Neff, instead of P. T. Jones, as stated in the last Dispatch, and lies north of the Canfield-Ellsworth road along the Erie railroad right-of-way.

—Mrs. A. B. Davis died last Sunday at her home in Alliance, aged 77. Her maiden name was Mary Yeager, and she was born in Canfield township. Funeral services were held Tuesday. She leaves three sisters, Mrs. Sarah Stille of Canfield, Mrs. Brobst of North Baltimore, O., and Mrs. L. Crum of Austintown.

—At the annual meeting of the Red Cross, Monday afternoon, the following officers were elected for the ensuing year: President, Mrs. W. P. Hollister; first vice-president, Mrs. Martin Kimerle; second vice-president, Miss Marion Fowler; third vice-president, Mrs. E. R. Ziegler; secretary, Miss Edna Jones; treasurer, Miss Grace Sonnedecker.

—An inmate of the county infirmary came to the village last Saturday and through claiming that he wanted de-natured alcohol to use in cleaning up automobiles, succeeded in securing it. A little later several of the inmates were found to be intoxicated and disposed to be ugly. Saturday night the same man came to town and made every effort to secure more alcohol, but was unsuccessful.

—While Wallace Swager, Arthur Clay, Mr. Musser and Mr. Byers were returning home from work in Youngstown last Sunday night the automobile in which they were riding has struck near the residence of Arthur Kyle, two miles east of the village, by a car recklessly driven by a Struthers man who with several companions was returning home from a Salem football game. The car driven by the Canfielders belonged to Ralph Hawkins and was well off the road when the collision occurred, so that the blame for the accident rests entirely upon the Struthers man. Both machines were considerably damaged. One of the Struthers men had an arm injured, but Dr. Campbell, who was called, found no bones broken.

—Mrs. Margaret S. Kirk, widow of the late Thompson Kirk, died at 11 o'clock Monday night at the home of her son, C. M. Kirk, in Axis, Alabama, death following a stroke of paralysis. Mrs. Kirk for quite a number of years made her home in Canfield with her daughter, Mrs. E. A. Arnold, and went south in September to spend several months with her son. She was an excellent woman and had many friends. She was born in Jackson township 77 years ago, a daughter of the late Mr. and Mrs. Samuel Johnston. Johnston of Youngstown, Stratton Johnston of Buffalo, N. Y., and Mrs. Julia S. Dickson of Canfield. The work in the various completed projects will be rounded up and Achievement credits awarded as well as honorable mention made of the boys and girls who have not yet completed their projects. Some projects such as music, boy scout, camp fire, business and wage and a few others continue beyond the summer period.

In each school district a special program will be given by the various Achievement members. The following programs have been announced: Tuesday evening, Nov. 18th, Damascus and Garfield at Damascus; Jackson at North Jackson. Wednesday the 19th, Beloit and Smith townships at Beloit. Thursday evening the 20th, the Goshen schools at Goshen grange hall and Ellsworth township schools at Ellsworth Center. Friday evening the 21st, the Berlin schools at Berlin Center and the Austintown schools at Austintown.

It is most gratifying, not only to the school patrons of the Canfield schools, but to the county as a whole to learn that the bond issue for Canfield, carried big, November 4, the vote being 219 for and 75 against. The issue is for \$90,000. The building program calls for four grade rooms, two high school recitation rooms, high school study room, library, domestic science room, manual training room, normal school room and laboratory, an auditorium and a gymnasium. The board of education has signified its intention to start the building program as soon as possible.

Canfield surely has sadly needed this school improvement and the township and village are to be congratulated upon their splendid appreciation of educational advantages.

We are also glad to note that the Beloit school has voted the extra levy for current expenses.

The school fair at Calla Tuesday evening was a credit both to the school and community.
